Re: Your Gift to Virunga National Park

Dear Peter,

I am writing to thank you for the extraordinarily generous gift of US\$ 30,000 from the Swiss Africa Foundation. Indeed it comes to us a critical time and as discussed last week, we would use the support as part of the Virunga Emergency Fund, whose primary purpose is to provide critical support to Virunga's rangers, especially during periods of crisis.

We are enormously grateful for your continued support.

Kind regards

Dr Emmanuel de Merode
Director, Virunga National Park
